Dan,

I want to thank the KAFMO board and all of its members for your continued support of the PTC, student travel to STMA, and the Center for Sports Surface Research at Penn State.

Your generous gift of \$6,000 is greatly appreciated. I will continue to do my best to put these resources to good use hopefully benefitting current and future KAFMO members.

Thanks again for everything!

Andrew S. McNitt  
Director of Center  
for Sports Surface Research
